

Good evening to all of you. It is with prodigious pleasure that I stand before you to present the 18th annual report of our school for the academic year 2022-23.

Learning is not attained by chance. It must be sought for with ardor and attended to with diligence.

Trinity Academy is a vision 21st century school which believes itself to be one of the best in discovering , developing education which caters to the physical motional social and cognitive development of children .

As we approach the end of this academic year and our 18 glorious years of service towards providing quality education since its inception in 2004. I take this opportunity to thank the Almighty God for his abundance , ineffable blessings and guidance.

Success is a journey not a destination. I feel elated to present the 16th annual report of Trinity Academy for the academic year 2022-23the highlights of the journey.

The 2022-23 school year was marked with joyful learning , celebrations, competitions and acheivements. Every day was a combination of consistant and sincere effort by all stake holders to ensure a productive and enjoyable learning experience for our students.

Academics 2022-2023

X and XII Results

The student of class X and XII have showcased a tremendous execution of hardwork with 100 % results in the cbse board examination both X and XII. 50 students had appeared for the 12th board exam and 7 students secured above 90 % and 22 students secured 80 to 90 % marks. Toppers are selvi. Miruthulabashini with 92 % in science stream and Ms. Dharshini got 93 % in commerce stream. Two students Master . Sivaganesh and Sukesh secured above 90 percentile in Jee main and Two students Master. Lakshminarayanan and Akash .got above 90 Percentile in B .Planing and got B. Arch in NIIT Bhopal.

A total 65 students appeared in Xth standard board examination , an astonishing 42 students scored distinction. The toppers are Ms. Mohd kithir azra secured 98 % Master. Neeraj secured 97 % and Ms. Jayadharshini got 96 %. I proudly inform our Trinity won district first in Xth board examination.

The philosophy of personel attention , regular assignments, motivation , proper guidance and counselling along with remedial measures have indeed brought us outstanding results in the board examination. The management , principal and faculty members are proud on this achievement and congradulations to all students .

Kinder garten

We are proud to have one of the best kindergarten facility with team of excellent and dedicated staff. 90 % of brain development happens before the age of 6. The kindergarten provides a joyous atmosphere where the children constantly engage Montessori Labs, the activities that grip their interest.

Special assemblies and programmes.

We start the year with Teacher enrichment programmes, Teacher get training from various resources

We have special assemblies as a way of beginning the day with a new vigour, wisdom and knowledge. Days with significance are always celebrated to help the students understand its relevance. In addition to that role play, speech and other activities are accompanied. A list of days observed at our school includes world environment day, world ocean day World blood donor day, world elder abuse awareness day, international yoga day, world population day, Doctors day, world nature conservation day, world science day, national education day, Human rights day and many more.

The two days celebrations to commemorate Nelson Mandela's legacy and promote universal peace and justice. The event featured various activities such as mime performance, conversation and poster making sessions. The school aimed to instill the importance of Mandela's vision of a justice and peaceful world, reminding the students to uphold these values in their daily life.

The gallantry award programme is a CBSE programme, two students of 9th standard had the opportunity to question the gallantry awardee who risked their life for the nation. It instills a sense of patriotism and inspires young minds to serve the nation.

The CBSE Heritage Quiz 22-23 focus on India's freedom struggle and India's history and heritage is an excellent opportunity for students to deepen their knowledge and enhance their understanding of India's past and its impact on the present.

Every year we have organized a model youth parliament in our school. This year 2022-23 we had organized The Model United Nations programme on 06.04.2023, where the students take the role of foreign delegates and discuss various global issues. The students from 8th to 11th took part and discussing the conflict between Russia and Ukraine, the issue of Inflation and the impact of climate change. The objective of this programme was to enhance students understanding of global issues, develop their public speaking skill and encourage teamwork and diplomacy.

Achievements

Real learning comes about when the competitive spirit has an ambitious desire.

Our students master . Pranav Ragav of 7th and master Mahesh of 8th standard participated in Regional level CBSE science exhibition organised by CBSE at Chennai won IInd prize and participated the national science exhibition at gurugram. It was proud moment of Trinity and great achievement of the students , their hard work and perceiverance paid this victory . I congratulate the both of them for their incredible success and also my cheers to the science department.

INTACH the Indian National trust art and cultural heritage publishing a monthly magazine young Intach, promoting awareness about Indian heritage among the students . our students participating every month and their articles published in the young Intach magazine. This is truly inspiring to all that young students showed their interest Indian culture and heritage.

Advait A journey to infinity Interschool competition 2023 organised by Swami dayanada matric hr sec school manjakudi on 4th feb 23. Students from LKG to XII participated in 9 competitions and won all competitions. Our school got overall championship award and also got disciplinary award.

National council for science technology and communication and Nethaji subash chandraboze science and arts college organised a national science day and national Mathematics day. Our school 4th, 6th and 7th std students participated secured Ist and IInd Place.

Understanding poems makes a child sensitive and creative. Also students build confidence as they learn to speak more accurately and persuasively about any piece of writing. Keeping this in mind intraschool poetry recitation contest was organized by English dept for classes 1 to 12. On 25th june 2022. It was conducted with atmost decoram.

Orientation Programme for students

Carreer counselling and deep learning programme for X and XII th std students organized by innovate educational services and Team on June 2023. This programme inculcate the knowledge of understanding the subject is important than memorizing .

Extra marks career assessment programme find a way to learn more about themselves . It discover the skills, interests and values. A self assessment is a learning tool and assessing the areas in which a candidate has strength and limitations. The result can be useful for the students to choose their career after class XII.

Scout and Guide and junior red cross programme:

This mission is to contribute to the kids education ,through value system and this is based on the scout promise and law, to help build a better world. From kg to 9th std students took part in this programme.

Extracurricular:

In our school we have various extra curricular activities are held to develop a child physically,morally,physically,socially and mentally and to home skills in co scholastic areas,regular Inter House activitis were held and display their caliber.

Our student M.Mugundhan VI A won state level prize in yoga and karate organized by orange british senior secondary school Arni, Thiruvanamalai.

Vishanth of class XII participate nobel world record for silambam held at coimabatore and done silambam, as in contionous as 1 hour without break.

On this memorable occasion as we recount our success with pride and happiness, we wish to dedicate ll our achivements to the committed effort of a committed team called Trinity Academy CBSE Senior Secondary school

In the end I would like conclude with the lines

“ Don't tell us sky is the limit when there are footprints on the moon”

Thank you

Jai hind
